

**CS 4400 Introduction to Database Systems
Spring Semester 2003**

TA: _____

Light Weight Project: Phase III

Note: If you choose the lightweight option, the highest grade you can receive in the class is a **92.5/100**.

Group Number	Received Zip (Y/N)	Demo Date	Demo Time	Demo Location	Demo Machine

Member Name	GT Number	Contribution (%)	Present (Y/N)	Final Grade

Report

Report Component	Notes	Received (Y/N)	Grade (%)	Percentage (%)
Description of the purpose of this phase of the project				2%
Phase I , Phase II, problems encountered, and revisions				4 %
Manual				2 %
SQL Create Table Statements				2 %
Contents of each Table in your Database				2 %
Soft copy of your source code				4 %
A short description on your decision on creating index				4 %

Total: / 20%

Demonstration

Task	Notes	Works (Y/N)	Grade (%)	Percentage (%)
1. Find Job Poster's information given a Username and Password				5%
2. Find Job Seeker's information given a Username and Password				5%
3. Insert a new Job Seeker into the Database				5%
4. Update Job Seeker's Profile				5%
5. Enter different components of the Job Seeker's resume <ul style="list-style-type: none"> a. Objective b. Salary c. Education d. Experience e. Skill 				10%
6. Display different components of the Job Seeker's resume <ul style="list-style-type: none"> a. Objective b. Salary c. Education d. Experience e. Skill 				10%
7. Display List of Jobs that are in the Database				5%
8. Display List of Jobs Index against the Job Seeker's Resume that are not filled for which the Job Seeker has not submitted an application. <ul style="list-style-type: none"> a. Salary b. Education c. Experience d. Skills 				10%

Total: / 55 %

Task	Notes	Works (Y/N)	Grade (%)	Percentage (%)
9. Apply For a Job				5%
10. Display list of Jobs for which the Job Seeker has applied.				5%
11. Delete an application given a "username" and "job-id"				5%
12. Search for job by Job Title, Company Name, Salary, and Location.				10%

Total: / 25 %
