Have you ever taken any game programming classes?

Have you ever taken any graphics courses?

Have you ever programmed CUDA?

If yes, fluency level (expert, good, okay, weak, never -- circle one)

Why are you enrolled in this course:

What do you expect to learn from this course:

Do you play games? If yes, how often do you play games and what kind of games?

Do you have game consoles?

What are your education goals beyond the current degree you are working toward:

What are your career objectives as far as you know right now:

Any other comments you would like to make (about anything!):
