Commerical InfoVis Systems

CS 4460/7450 - Information Visualization
February 10, 2009
John Stasko

Last Time

• We examined many different infovis systems and toolkits
• Today, we continue with that but examine commercial systems (some of which will be used in HW4) in more depth
HW 4

- Work with, understand, and critique these systems
  - Data sets
  - Consider user tasks
  - Submit a quality analysis

Note

- Think about whether the system provides one view of the data or it provides multiple views
