

Homework Submission Guidelines

- Homework is due in-class on the assigned due date.
- Electronic submissions will not be accepted.
- Start the answers to every question on a new page.
- Please staple together your sheets.
- Please write your name and the section number on the answer sheets,
- Preferably submit a typed write-up. If you choose not to submit a typed write-up, please write neat and legible answers.
- Collaboration is allowed/encouraged on problems, however each student must independently complete his/her own write-up, and all collaborators should be listed.
- Please write succinct and precise answers.
- Please do not submit programs.
