Asian Research Hubs

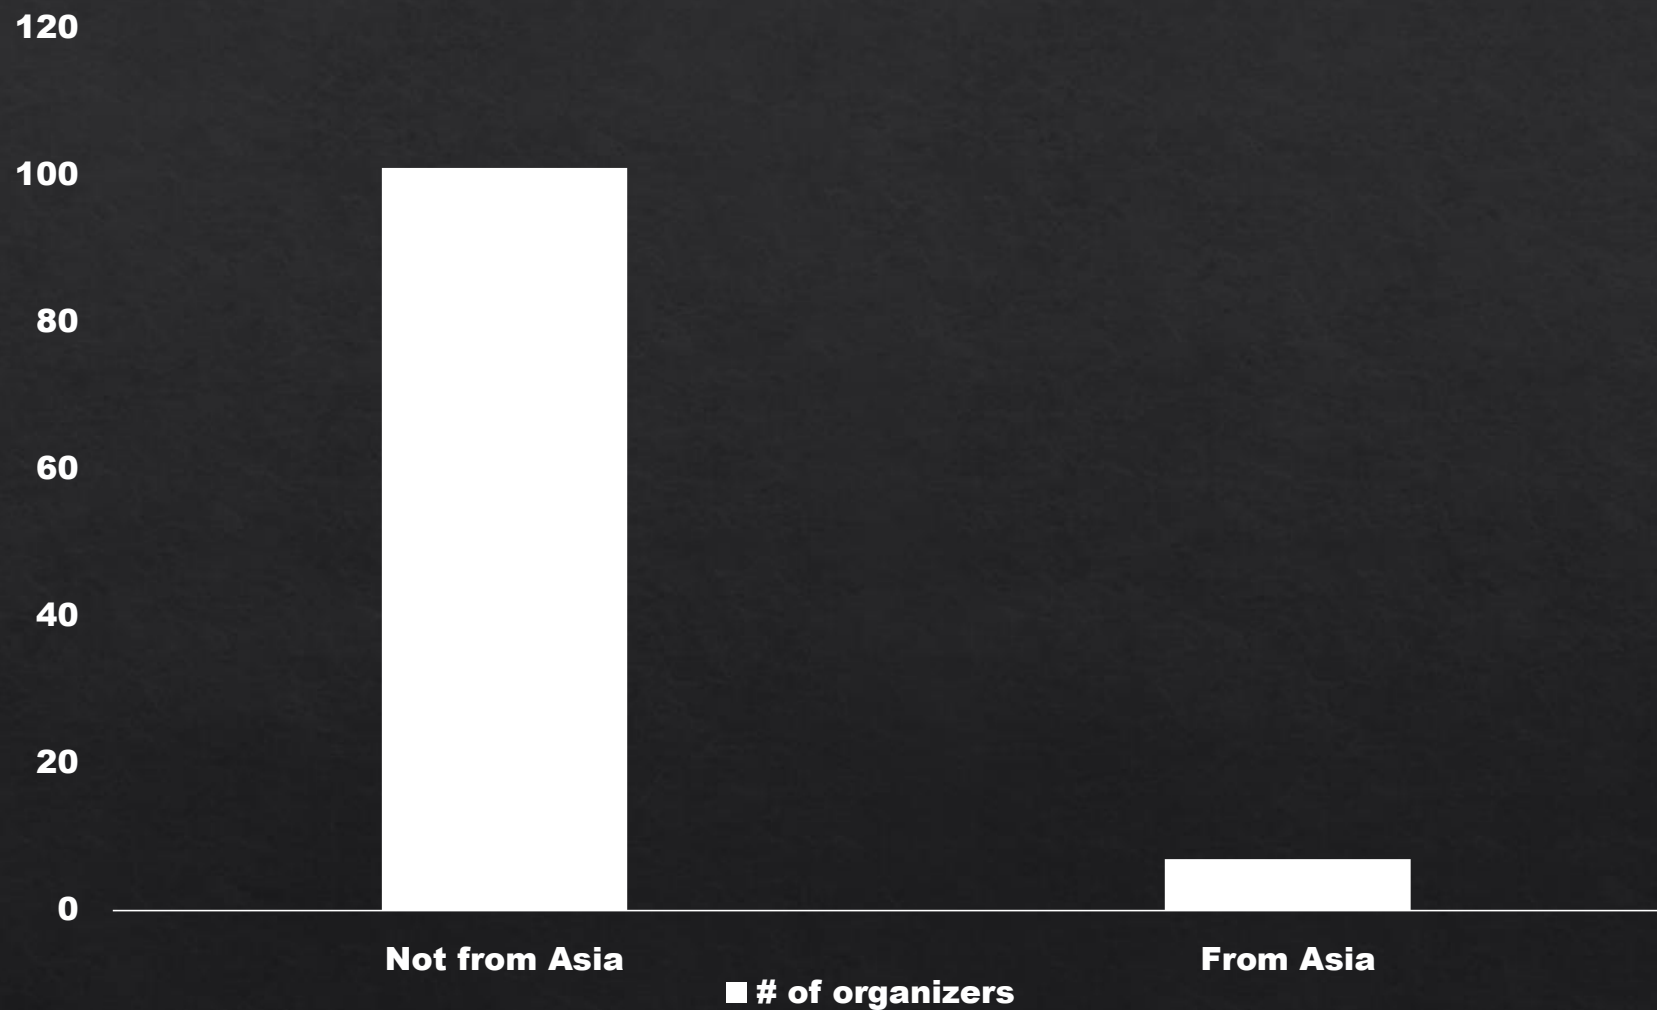

Across all academic indicators - papers, citations, awards - these regions have labs that are on par with the best labs in the world.

Yet more numbers

Organizers from Asian countries at CVPR'18

Area chairs from Asian countries at CVPR'18

There is an imbalance of Asian representation in the CV community

Aside: There are other imbalances as well

Asian ethnicity

≠

Represent Asian institutions

Why am I telling you?

Message to my Western colleagues

- **Be aware of the imbalance**
- **Systematically address the problem**
- **Look at ACCV's Area Chairs**
- **Ask your Asian colleagues**
- **Consider inviting speakers from Asia**

Message to my Eastern colleagues

- **Don't do things only for bullets on your CV**
- **Accept invitations**
- **Recommend your colleagues**
- **Volunteer**

Message to my Western and Eastern colleagues

Remember a simple motto

Welcome Everyone

West East

Remember a simple motto

Welcome 大家
