**Subject:** [cc-undergraduateacademics] Advisor availability during phase I  
**Date:** Monday, April 8, 2024 at 7:08:13 PM Eastern Daylight Time  
**From:** cc-undergraduateacademics-request@lists.gatech.edu on behalf of CoC Undergraduate Academics  
**To:** cc-undergraduateacademics@lists.gatech.edu

Dear Students,

CS Undergraduate advisors will have **shorter advising appointment sessions and additional drop-in availability April 15- May 1** for Summer 2024 and Fall 2024 Phase I registration.

During this time, advisors will be available for virtual drop-in appointments on Mondays and Wednesdays, 9-11 am EST and 1-3 pm EST. Students can schedule appointments Tuesdays, Thursdays, and Fridays, 9:00-11:00 am EST, and 1:00-4:00 pm EST by visiting <https://advisor.gatech.edu>

Please **use the comments area to add a detailed reason for all appointments** you make. These comments assist your advisor in preparing for your meeting. For virtual appointments, you will receive a follow-up message from your advisor with the video or audio conference instructions if it is not posted in the confirmed appointment. **Advisors are available to answer your questions via email**, so be sure to utilize that option as well.

**Accepted BSMS students** should email the appropriate BSMS advisor (Jen Seelman or Amber Williams) for appointments.

**Who is your advisor? Find out here:** <https://www.cc.gatech.edu/undergraduate-advising-team>

Sincerely,

\*\*\*\*\*  
Office of Undergraduate Advising  
College of Computing  
Georgia Institute of Technology
