Game Theory I - 57191 - ECON 4180 - JB1- MTWR @ 12:30 pm - 2:40 pm. In Person

Game Theory covers static games of complete information, dynamic games of complete information, static games of incomplete information and dynamic games of incomplete information

### FASET Leader recruitment

See the following page for details: <https://transitionprograms.gatech.edu/faset-becoming-leader>

### POL 1101 in late summer

GT School of Public Policy is, for the first time, offering POL 1101 - *Government of the United States* as a summer course, in the late short summer block. POL 1101 is a core Area E: Social Science Course and fulfills the U.S. and Georgia constitutional knowledge requirements. Section enrollment is capped at 40 students, unlike the traditional, large-lecture-hall format of POL 1101.

This section of POL 1101 will run MWF 3:30pm to 6:15pm from Wednesday, June 21 to Thursday, August 3 (14 sessions).

Please contact the instructors or persons listed for follow up questions.

Sincerely,

-----  
*Office of Undergraduate Advising*  
*College of Computing*
