**College of Computing Tutoring:**
Website: [www.cc.gatech.edu/tutoring-assistance](http://www.cc.gatech.edu/tutoring-assistance)
By Appointment Only
The College of Computing provides need based tutoring in the following courses: CS 1301, CS 1331, CS 1332, CS 2050, CS 2110, and CS 2200. Tutoring is a semester-long commitment and conducted in the CoC Commons.

**Clough Commons Tutoring:**
Website: [http://www.success.gatech.edu/tutoring/commons](http://www.success.gatech.edu/tutoring/commons)
Drop-in style tutoring in Math, Chemistry, Physics, and Computer Science. No appointment necessary, but students must check in with the Tutoring Reception Desk and swipe their Buzz Card to use the tutoring services. Tutoring conducted by TA’s who work directly with the department sponsoring the tutoring. Biology, EAS, and HPS 1040 TA’s will also hold office hours in this area, and students of those courses can drop in to see their TA’s.
Location: Clough Commons, 2nd Floor

**CommLab:**
Website: [http://www.communicationcenter.gatech.edu](http://www.communicationcenter.gatech.edu)
CommLab promotes communication in the WOVEN (Written, Oral, Visual, Electronic, Non-Verbal) technique. CommLab offers consulting services that help students plan complex projects, as well as tutorial services for improving any kind of communication-related projects.
Location: Clough Commons 447
By Appointment Only: See website above for appointment scheduling

**Office of Minority Educational Development (OMED):**
Website: [http://www.omed.gatech.edu/tutoring-schedule](http://www.omed.gatech.edu/tutoring-schedule)
