Travel Steps:

Do you have a passport?

If you do not already have a passport, you must apply for one immediately. PLEASE NOTE THAT IT CAN TAKE OVER 8 WEEKS TO OBTAIN A PASSPORT. DON’T WAIT UNTIL THE LAST MINUTE!! For additional passport information, please visit: http://travel.state.gov/passport/passport_1738.html

If you have a passport, check the expiration date to be sure it has not expired or will not expire while you are in Spain; your passport should be valid for at least six months after entry, so its expiration date should be after November 12, 2018.

Please email a copy of your passport to drutherf@cc.gatech.edu or bring a copy to Dawn in the College of Computing building, room 113.

Do you need a visa?

If you do not have a US passport, please consult the website for the Spanish Consulate in Miami for a list of countries that do NOT require visas for a stay that does not exceed 3 months within a period of 6 months; see the list of countries at http://www.maec.es/consulados/miami (select English; click Information for Foreigners > Tourist/Business Visas, under the More Information menu on the right).

If your country of citizenship is not on this list then you must apply for a Schengen tourist visa. Please review the visa application requirements and process at the site above (under Tourist/Business Visas).

If you are a permanent resident of Georgia, Florida or South Carolina, you will need to make an appointment at the Spanish Consulate in Miami and go to Miami to apply for your visa IN PERSON. To make an appointment go to: http://www.maec.es/consulados/miami and select English and click Information for Foreigners > Visa Appointment, under the More Information menu on the right. Appointments for visas should be made as soon as possible since the Consulate’s calendar fills very early! We recommend you schedule your visa appointment for February or absolutely no later than spring break in March.

Coursework Steps:

**Spanish:**

If you are interested in taking Spanish this summer, please let us know ASAP by sending an email to drutherf@cc.gatech.edu. Information concerning Spanish placement and registration will be sent directly to interested students.
Registration:
Registration for Summer Term 2018 will begin on March 26. Please begin thinking about which 4 courses you would like to take as a part of this summer program and select an alternate or two in the event you are not able to register for your 4 preferred courses. Please remember that registration permits for courses will be issued based on the order of the student’s acceptance into the program and other criteria (e.g. year, major); more information on this process will be distributed during the spring 2018 semester at participant meetings and via email to program participants. The maximum capacity for courses will be enforced; overload permits may be issued in exceptional circumstances.

If you have any questions regarding coursework planning, please contact your academic advisor. If you have any questions concerning the individual courses offered this summer in Barcelona, please review the course information on our website (link to be posted) and/or contact the faculty for the course. If you have any questions regarding registration, please visit: http://www.registrar.gatech.edu/. The summer 2018 schedule of classes will be made available during the spring 2018 semester, likely after registration opens before program departure.

Textbooks:
You will need to purchase your textbooks for this summer prior to leaving for Barcelona. Textbook details for the 2018 courses will be provided no later than the pre-departure orientation meeting on Monday, March 26.

Financial Steps:
Program Cost:
Please see the online handout posted on our website (link to be posted).

Financial Aid & Promissory Notes:
Generally, you may apply your financial aid and scholarship funding towards the tuition and fees assessed to your student account upon registration for summer courses. If you wish to apply aid to your tuition and registration fees, please let Dawn know and provide a copy of your Award Letter that shows your anticipated aid for summer 2018.

If you wish to apply any of your financial aid towards your program fee costs ($3,300 payment due 2/9; $2,000 payment due 3/9), you will need to let us know and provide a copy of your Award Letter that shows your anticipated aid for summer 2018; and, then you will need to meet with us to review and sign a promissory note which will defer a portion of your program fees due until May when financial aid is typically disbursed for the summer term.

If you did not indicate on your 2017-2018 Georgia Tech Application for Scholarships and Financial Aid (GT APP) that you would be enrolling in summer courses, please email revisions@finaid.gatech.edu immediately to let them know that you will be enrolling in summer classes and studying abroad (be sure to include your gtID in your correspondence).

More information on understanding your Award Letter can be found at: http://www.finaid.gatech.edu/content/understanding-letter
