**Save $1,300 in Tuition and Fees by studying in Berlin for Summer 2019!**

Please note that the GT Summer in ATL tuition rates are calculated/projected based on the New Student & Non Guaranteed Tuition Plan rates published by the Bursar’s Office for Summer 2018 and Spring 2019. All tuition charges and fees are subject to change at the end of any academic term.

### How to pay...

Please remember that all tuition, fees (including program fee, supplemental fees and housing deposit), and optional group airfare will be charged and paid through the Bursar’s Office via each student’s OSCAR account. Payments to a student’s account are first applied towards any outstanding charges on the student’s account (e.g. unpaid parking tickets), so please confirm that all outstanding charges have been reconciled to ensure timely and intended allocation of any Berlin payments. Students will be notified by email when program charges are posted; tuition and registration fees will be assessed upon registration for summer classes.

### Using Financial Aid & Scholarships...

Students can apply financial aid and scholarships to their tuition, GT mandatory fees and Berlin program fee by coordinating in advance with the Office of Scholarships & Financial Aid and the Berlin program coordinator and by signing a promissory note as applicable. Once accepted to the program, students should email laura.person@cc.gatech.edu for more information if interested.

**Cancellation and Refund Policy:** the application fee is non-refundable (upon application approval); students cancelling participation prior to March 8th must pay the first program fee payment of $3,800; cancellations after this date will result in forfeiture of all anticipated or paid program fees. Students cancelling their group flight participation after January 25th are responsible for paying (or forfeiting payment of) the entire group airfare. Name changes after ticketing for group flight participants may be an alternate option to cancellation and are subject to fees established by the travel agent and airline. Additionally, Georgia Tech reserves the right to alter or cancel this program due to low enrollment, unavailability of a professor to teach a planned course, or other unforeseen circumstances. If Georgia Tech cancels the program before departure for reasons within its control, all fees paid by participants will be refunded. If Georgia Tech cancels the program before departure or while the program is in progress for reasons beyond its control, such as political unrest or danger to participants’ safety, only those fees that Georgia Tech is able to have refunded by service providers will be returned to participants.
