The CS 1301 Placement Exam will be offered as a proctored online exam. Only freshmen who deferred admission to Spring 21 are eligible for a Placement Exam. All other students, see instructions for Advanced Standing.

In order to take the exam, you will need:

1. Reliable Internet Service  
2. A Computer  
3. A Web Camera  
4. A Working Microphone  
5. A Photo ID

The exam will be given: **Thursday, January 14, 2021, starting at 5:00 p.m. EST.**

Students will be required to sign-in 10 minutes prior to the start of the exam and will have 1 hour to complete the exam (until 6:00 p.m. EST). **No makeup or alternate times are available.** If you register for an exam, please be sure that you will have uninterrupted internet access during the exam.

1. **Deadline to sign up for Exam: January 13, 2021, Noon EST**
2. Only students who are part of the 2020 freshmen class and deferred to Spring 21 are eligible for the Placement Exam. All other students should sign up for Advanced Standing.
3. If you pass the exam, allow 3-4 weeks for the credit to show on your transcript.
4. Seats are being saved in CS 1331 for CS majors who pass the exam and students will receive a prreq override and permit for the reserved seats after the exam is graded. Non-CS majors who pass the exam and wish to take CS 1331 will need to contact advising@cc.gatech.edu. Permits will be given if there are remaining seats after accommodating CS majors.
5. The CS 1301 exam consists of mostly coding and a few short code tracing problems. Code can be written in any programming language. Topics:
   - Algorithms
   - Data Structures
   - Functions
   - Conditionals
   - Iteration
   - Objects
• Recursion
• Arrays
• Searching and Sorting
