Application for a Minor in Computer Science

Description: The College of Computing offers 9 minors in Computer Science for students majoring in other disciplines who want to be competitive in the global marketplace or leaders in the technological age. This program provides a solid foundation for integrating computing principles and advancements within a vast array of career options. Each minor is 5-6 classes or 15-19 hours and 9 of these hours must be at the 3000-4000 level. All courses must be successfully completed with a minimum grade of C. Special Problems or internship coursework may not be used toward the minor.

Requirements: To apply for the minor program you must meet the following:

- Be in good academic standing
- Received a grade of A or B in CS 1301/1315/1371
- Received a grade of A or B in CS 1331
- For a Minor in CS Media, CS Intelligence, CS Systems and Architecture, CS Theory, CS Devices, CS Information Internetworks, and CS People students must be registered for CS 1332 or CS 2110 after drop date.
- Have a minimum of 48 hours of coursework remaining in your undergraduate degree program after completing CS 1331.
- Students cannot complete two CS minors.
- Students in CMPE and EE cannot minor in Devices or Information Internetworks.
- Students in IE cannot minor in Computational Data Analysis.

Advising: It is recommended you meet with the CS Minor Advisor prior to phase 1 registration to ensure academic progress toward the minor and to review any class conflicts.

Personal Assessment: As part of your application, you must complete a personal assessment. Through this personal assessment you should address the following questions:

1. Why are you interested in the CS minor program?
2. What courses are you most interested in taking?
3. How will the minor program support your career plans?

Deadlines: Applications are due in the drop box (located by the desk outside of the undergraduate advising area in CCB) by 5:00 pm on March 2nd. Decisions and acceptance should be made within two weeks of the application deadline. Both the application and Minor Declaration form should be submitted together.

Signatures: You will need your major advisor to sign off on both this application and Minor Declaration form. The CS minor advisor will not sign your minor declaration form until you are accepted.
